After Silence Rape And My

After Silence is Nancy Venable Raine's eloquent, profoundly moving response to her rapist's command to "shut up," a command that is so often echoed by society and internalized by rape victims. Beginning with her assault by a stranger in her home in 1985, Raine's riveting narrative of the ten-year aftermath of her rape brings to light the truth that survivors of traumatic experiences know--a trauma does not end when you find yourself alive.

After Silence: Rape & My Journey Back: Raine, Nancy ...

After Silence is an eloquently-written memoir of one woman's experience of rape and the emotional, physical, and mental effects of the abuse. Venable Raine illustrates the long-term consequences of rape, including the need to "build a new life", almost as if a survivor needs to reincarnate in order to survive.

Amazon.com: After Silence: Rape & My Journey Back eBook ...

Nancy Raine's book is an autobiographical account of the time from her rape in 1985 until she came to grips with the feelings that the assault produced in 1993. Raine was raped by an attacker whom she did not know and who was never caught. In After Silence, she describes the events in her life, both external and internal, following the rape. She takes us through the thoughts and feelings that were produced first by the rape and later by the reactions of police, family, friends, and readers ...

After Silence

The name of our organization is inspired by the memoir After Silence: Rape and My Journey Back by Nancy Venable Raine. Defined by the New York Times, "A book that dignifies the human spirit," After Silence is the written account of Raine's journey of recovery from victim to survivor. In her book, Raine explores the pain, the silence, the stigma and shame that still surrounds rape and sexual abuse survivors, shading light on the fact that the trauma doesn't end with the attack but continues ...
