Children and Traumatic Incident Reduction eBook by Marian ...

Traumatic Incident Reduction provides a safe space and the means to fully examine that which had been blocked. A past incident loses its ability to hurt us at the point where we have looked it through and through. In the process, we release our resistance as well as the painful emotion and negative thought patterns contained in that past trauma.

What is Traumatic Incident Reduction (TIR)?

Traumatic incident reduction is a brief, one-on-one, person-centered, simple and highly structured method for permanently eliminating the negative effects of past traumas. It involves repeated viewing of a traumatic memory under conditions designed to enhance safety and minimize distractions. The client does all the work; the therapist or counselor offers no interpretations or negative or positive evaluations, but only gives appropriate instructions to the client to have him view a ...
