We received the new EX90 but it doesn't have the AC Adapter which seems to be also failing. Does anybody know the part number of the AC Adapter so we can order it? We did receive the power cord but it doesn't help as the AC adapter is faulty. I can't find the information on the datasheet nor the installation guide. Thanks.

### **Solved: EX90 AC adapter part number - Cisco Community**

Yes, you can. It's mentioned in the EX Series data sheet in Table 1, listed under "PC and second-source video input". Refer to the EX90 Install Guide on pg 5, you would connect your PC to the HDMI Input, this would also allow you to share your computer screen to others during a video conference as well.
