## **Contract Management Body of Knowledge (CMBOK): 1.0 Overview**

The complete body of knowledge concerning contract management resides both with the practitioners and those who, like academicians and governing bodies, apply and advance contract management. This body of knowledge includes both the generally accepted practices (such as business and finance) that are widely applied, as well as state-of-the-art practices (such as e-commerce and catalog aggregation). Readers should note that the CMBOK does not purport to define the body of knowledge, but ...
