### Disputers Of The Tao Philosophical

First published in the late 80's, "Disputers of the Tao" might seem a tad old school with its Wade-Giles transliteration, and recent archaeological discoveries may have tweaked a few of the author's chronological arrangements (which, as he himself reminds us, are tentative and convenient impositions), but on the whole the details and the insights hold up just fine, and these plus the helpfully memorable framework holding it all together (all invaluable in their own right, of course) handily ...
