### **Erotic Comics A Graphic History**

This international survey of erotic comics chronicles a groundbreaking form of sexual expression up to 1970, the years when mainstream culture spurned explicit eroticism. In the 1930s, American "Tijuana Bibles," little pornographic comic books that parodied popular comics and comic strips, were widely available.

Eventually the issue was dropped and they went on to make more erotic comics. Many artist and authors left the mainstream comic industry for the more lucrative erotic side of the business. There might be better books on the history of blue comics but this was my first look at the industry so I think the book is informative.
