Expeditionary learning schools - Wikipedia

Expeditionary education is often associated with adventure education, outdoor education, environmental education, or experiential education and refers specifically to learning associated with exploration and journey-based experiences or expeditions within these fields. Usually involving elements of challenge, adventure, and leadership, expeditionary education can take place in a variety of ...

Expeditionary education - Wikipedia

Expeditionary Learning (EL) is an approach to education that seeks to engage students in a way that excites them not only about the subjects they're studying, but also about the process of education. In the same way that life is about the journey, education is about the process of learning, and that is what Expeditionary Learning teaches.

Expeditionary Learning: A Journey to Knowledge

Expeditionary Learning is an educational system that differs from traditional systems in three main ways: In Expeditionary Learning schools, students learn by conducting "learning expeditions" rather than by sitting in a classroom being taught one subject at a time.

Expeditionary Learning is grounded in the theory of experiential learning, which in itself was drawn from the foundational theory of experience of Dewey (1938) & Lewin (1951). Experiential learning is defined by Kolb (1984) as the process where knowledge is created through the transformation of experience.

Expeditionary Learning - Lawrence E. Jones Middle School

What are Learning Expeditions? Our curriculum is designed around experiential Learning Expeditions - multidisciplinary projects that allow students to investigate issues in our school community and the greater world. The study of big ideas enables us to weave together work in science, English, social studies, math, technology and the arts.

EL Education / Expeditionary Learning

Expeditionary Learning Programs allow students to “Learn By Doing.” Afield globally and in class, expeditionary learning facilitates active, discovery-based engagement with educational processes, which helps our students make personalized meaning and take ownership of both their academic and larger life journeys. Life is an expedition!
