Fleet Vehicle Registration | Enterprise Fleet Management

The Permanent Fleet Registration (PFR) program is a convenient way for owners of large vehicle fleets to manage their vehicle registration. After qualified intrastate commercial fleet vehicles are registered in the PFR program, owners can display continuous registration credentials in their vehicles and renew registrations through a monthly vehicle listing instead of individual vehicle renewal notices.

Permanent Fleet Registration - California DMV

The "fleet number" is just a number assigned to your unit for convince. It is just an easy way to track all of the maintenance and costs associated with that particular truck. At the freight yard the unit numbers or fleet number was painted on both the outside of the tractor and the inside of the box.

What is a fleet and the fleet number of a truck? - Quora

The BMV will assign a unique fleet number to each approved fleet operator. If, at any time, the number of fleet vehicles falls under 1,000, the fleet operator will be removed from the fleet vehicle registration program. The fleet operator may reapply for participation in the fleet program. A fleet operator who meets the fleet program requirements may submit an application for fleet vehicle registration to the BMV. The application may be emailed to BMVTitlesAndReg@bmv.in.gov or mailed to:

BMV: Fleet Vehicle Registration Program

Companies with ten or more vehicles registered in Nevada may use fleet registration services at designated DMV offices.
