Great by Choice Quotes by James C. Collins

We do not believe that chaos, uncertainty, and instability are good; companies, leaders, organizations, and societies do not thrive on chaos. But they can thrive in chaos. To get at the question of how, we embarked upon an ambitious journey to identify and study a select group of companies that had done just that.

Jim Collins - Books - Great by Choice

Innovation by itself turns out not to be the trump card in a chaotic and uncertain world; more important is the ability to scale innovation, to blend creativity with discipline. Following the belief that leading in a "fast world" always requires "fast decisions" and "fast action" is a good way to get killed.
