HEROES AND SAINTS OTHER PLAYS

Heroes and Saints is a play that takes place in the valleys of central California, where Mexican immigrants work as laborers of agriculture. In the fields where they work, there are many toxic pesticides, and in the sheds that they live in, there is toxic waste.

Heroes and Saints Summary | GradeSaver

The community has suffered a high incidence of cancer--especially in children--, birth defects, and other illnesses related to long-term intake of toxic substances. One of the main characters, Cerezita, has only half a body, and often occupies center stage encased in an altar-like contraption where only her head shows.

Heroes and Saints

Heroes are goal-oriented people of great capabilities who know how to make things happen. We admire their ability to get things done and shape the world according to their will. Saints on the other hand — especially to the American mind — seem quaint and marginal, occupying religious spheres on the periphery of the action.
