Guide to Kanban

Kanban is a strategy for optimizing the flow of value through a process that uses a visual, pull-based system. There may be various ways to define value, including consideration of the needs of the customer, the end-user, the organization, and the environment, for example. Kanban comprises the following three practices working in tandem: Defining and visualizing a workflow

HTML Kanban Guide - Kanban Guides

The Kanban Guide Professional Kanban is defined completely in the Kanban Guide that was created by a community of Kanban practitioners. The Kanban Guide is maintained independently of any company or vendor and therefore lives on a brand-neutral site.

The Kanban Guide - ProKanban.org

Purpose. The flow-based perspective of Kanban can enhance and complement the Scrum framework and its implementation. Teams can add complementary Kanban practices whether they are just starting to use Scrum or have been using it all along. The Kanban Guide for Scrum Teams is the result of a collaboration between members of the Scrum.org community

Would it not be great if there was a way of working, a system that could help you not only to manage your tasks better, but that would also provide you ...

Kanban Guide | Introduction to Kanban Method | Kanban Tool

Simply put, Kanban is a strategy to optimize the flow of value through a process. It is impossible to talk about Kanban without talking about flow. The fundamental idea behind Kanban is that one of the best ways to optimize value delivery is to optimize process flow. In other words, how work gets done can be as big a component of value as what work gets done.

What is Kanban? | Backlog

A Kanban board is a physical or digital space that visually represents work status with work items (as cards) and workflow steps (as columns).; A Kanban card represents an individual work item that needs to be completed as part of the bigger project. It might be a task, bug report, article, job candidate, job listing, or anything else that needs to pass through a process in order to be completed.
