### How to live alone and love it without getting lonely ...

More and more people are living alone today--an estimated 1 in 4 people in the United States are

making a home on their own. There are lots of advantages to living alone--no one to fight for the remote, no one to judge you if you want to eat a baloney sandwich in your underwear in the middle of the night--but it can also get lonely when there's no one to come home to.
