on as a merchant seaman. Resistance by merchants to the impressment of their ships or mariners occurred on several occasions as noted in the parliamentary records, and doubtless there were more complaints to the crown of which we have no record.⁵ For a merchant to lose his captain or his best mariners was not only dis-

Ships and Mariners in Later Medieval England

The term merchant meant a businessman in mediaeval and early modern England. They ranged from wealthy merchant adventurers trading all over the world through average town retailers to poor pedlars. Some traders specialized in one type of goods whilst others dealt in whatever would turn a profit at the time. Although impossible to draw dividing lines, for convenience here, I have grouped the ...

Merchant (Medieval II: Total War) | Total War Wiki | Fandom

Seafaring is a tradition that encompasses a variety of professions and ranks. Each of these roles carries unique responsibilities that are integral to the successful operation of a seafaring vessel. A ship's crew can generally be divided into four main categories: the deck department, the engineering department, the steward's department, and other.The reasoning behind this is that a ship's ...
