Neato vacuums will automatically return to their charging base when the battery is low. If the floorplan is larger than the robot can cover in one battery charge, the vacuum can recharge and continue cleaning from where its previous session ended. The Neato D7 can run up to 120 minutes on a single charge, though different models have different runtimes. Neato robot vacuums come in various sizes and colors but all include the name "Neato" in lowercase letters on the top of the robot.
