OCR provides ICT qualifications for learners of all ages at school, college and work.

ICT qualifications - OCR

OCR Nationals are vocationally related qualifications which were officially launched by the OCR Board in September 2004. The qualifications are designed to meet the needs of those seeking vocational education in place of the traditional, theory-intensive, academic route. Although the target audience are teenagers, the qualifications are also suitable for adult learners, much like the GNVQ. The OCR Nationals are being phased out, and replaced by the Cambridge Nationals.
