## **Transmedia Marketing Is the Future of Brand Storytelling**

...

Transmedia storytelling (also known as transmedia narrative or multiplatform storytelling) is the technique of telling a single story or story experience across multiple platforms and formats using current digital technologies.. The study of transmedia storytelling—a concept introduced by Henry Jenkins, author of the seminal book *Convergence Culture*—is an emerging subject.

## **Transmedia storytelling - Wikipedia**

Transmedia is commonly defined as a narrative or project that combines multiple media forms. A transmedia project may combine many different types of prints or prose text, graphics and animation, or work across multiple platforms, such as different types of social media platforms, interactive websites or advertising outlets.
