In order to support their development some consistent approaches are used, included the Peggy Lego, which teaches correct letter formation. Other programs for handwriting neatness may also be used by your classroom teachers so it would be beneficial to talk to them about the approach they use.

### **Occupational Therapy - Fremantle Language Development Centre**

Yes these programs are good but in my opinion The Magic Caterpillar Handwriting Program by Barbara Brann is the best around. I have been using it for the last 25 years in my private practice with amazing results. This program has a story which reinforces where to start which way to go and why etc. Plus works within the child's memory spaces.
