Political Economy Of The New

The Political Economy of the New Deal explores the political and economic forces that shaped the highly uneven distribution of federal emergency relief spending during the Great Depression. It presents new empirical evidence on the Roosevelt administration's response to the Great Depression, and shows how this was influenced more by presidential politics than by the plight of the unemployed millions.

The Political Economy of the New Deal (The Locke Institute ...

The New Left was a label applied in part to a loose left wing movement in the US during the 1960s. It grew partly due to dissension about the Vietnam War. It had a political and economic yearning for a system different from what existed in the US at that time.

Amazon.com: The Political Economy of the New Left ...

The Political Economy of the New Deal. In this work, Professors Jim Couch (University of North Alabama) and William Shughart (University of Mississippi) employ public-choice theory to provide an insightful look at the New Deal. The authors mix examination of historical evidence and econometric analysis of recently rediscovered data on the spending patterns of New Deal programs to argue that the Roosevelt administration used the massive spending for political purposes.

The Political Economy of the New Deal - Foundation for ...

All in all, The Political Economy of the New Deal is a well-written book that makes us think further about the motives of the New Dealers and politicians in general. It is essential reading for anyone interested in the New Deal and the politics of the 1930s.

Political Economy - The New York Times

new political economy is simply a not very insightful formalization of the obvious. Recent research has also been criticized as being too broad, seen as trying to cover everything, with widely differing degrees of success. Both the strengths and the weaknesses of the new political economy suggest the need for a more organized treatment.

What Is Political Economy?

Every economy is a political economy and the enormous success of the U.S. economy has been as dependent on our political system as on our economic system. Indeed, many of the problems that currently plague the U.S. economy are the result of our failure to hold on to the political wisdom that guided our Founding Fathers.
