The Poverty of Historicism - Wikipedia

The poverty of historicist is a poverty of imagination as it says that there cannot be a scientific approach to social science but at the same time there are absolute and unchanging laws - called essentialism on the lines of Plato's Republic (that only a few people understand) which TODAY (this generation, this period in history where the historicist is) are operating far quicker than ever before because of the "pace of progress".

The Poverty of Historicism - Wikipedia, the free encyclopedia

The poverty of historicism, we might say, is a poverty of imagination. The historicist continuously upbraids those who cannot imagine a change in their little worlds; yet it seems that the historicist is himself deficient in imagination, for he cannot imagine a change in the conditions of change.

Karl Popper on the Central Mistake of Historicism

The Austrian-English philosopher Karl Popper condemned historicism along with the determinism and holism which he argued formed its basis. In his *The Poverty of Historicism*, he identified historicism with the opinion that there are "inexorable laws of historical destiny", which opinion he warned against. If this seems to contrast with what proponents of historicism argue for, in terms of contextually relative interpretation, this happens, according to Popper, only because such proponents are ...
