### The Rum Smws

Without a governing body overseeing the category, different rum producers have their own rules and regulations about how it is made – but the one thing we can agree on is that it is the spirit distilled from the fermented sugars derived from the fresh juice or molasses extracted from the sugar cane plant. Rum is produced primarily in countries where the climate is conducive to growing cane sugar, with more than 80 per cent of the world’s rum is produced rum in the Caribbean and Latin ...

The Scotch Malt Whisky Society, or SMWS, is an independent bottler of single cask whisky and other spirits. For those unfamiliar with the term, an independent bottler is an entity that purchases spirit from third parties and bottles it under their own label. Individuals must pay an annual fee to join the SMWS, which grants members the ability to purchase society bottlings, invitation to exclusive tastings, and other perks.

SMWS R 11.2 Worthy Park 7YO Rum (“Absolutely Fabulous!”) - Review. May 172020. It sounds strange to say it, but the Scotch Malt Whisky Society, aside from ushering in changes in the whisky world, had its impacts on rums as well. What made the Society stand out back in the day and initially made its name, was the focus on single cask fullproof bottlings, which at the time was only sporadically addressed by other whisky makers (and hardly at all with rums, except perhaps by the Italians ...
