All the books here are absolutely free, which is good news for those of us who have had to pony up ridiculously high fees for substandard audiobooks. Librivox has many volunteers that work to release quality recordings of classic books, all free for anyone to download. If you've been looking for a great place to find free audio books, Librivox is a good place to start.

The Wind In The Bamboo

Some are still armed with spears and blowpipes, a few with cellphones and graduate degrees. "The Wind in the Bamboo" examines issues of race, identity, the body, scientific classification and genocide, through a sweeping Chatwinesque narrative of journeys into the remaining lands of these ancient-heritage forest peoples. Edith Mirante presents the story of the "Negrito" peoples (the ultimate survivors) with candor, wit and compassion.

An excerpt from "The Wind in the Bamboo" about Mt. Pinatubo. When the volcano on Luzon island, the Philippines erupted in June 1991, the center of the world was destroyed for the Aeta indigenous people, and yet they survived. I arranged to climb to the crater in 2007: A monstrous yellow 4x4 truck appeared in front of the Oasis right on time.

For instance, bamboo's flexibility allows it to bend with the wind as a storm rages. No matter what direction the wind is coming from, bamboo is able to adapt. It's strong enough to remain grounded while flexible enough not to break from the pressure. That's why bamboo is the ideal model; it tempers strength with flexibility.

The Symbolism of Bamboo - Cozy Earth

One of the most impressive things about the bamboo in the forest is how they sway with even the slightest breeze. This gentle swaying movement with the wind is a symbol of humility. Their bodies are hard and firm and yet sway gently in the breeze
