You can use an e-reader app on your computer, too, to make reading and organizing your ebooks easy.

Toward A Translation Criticism John

Toward a Translation Criticism is divided into two separate but interlinked parts, each focused on one element of the ethics of translation: theory (reflection) and practice (experience). In the first part Berman presents what he calls a general "productive criticism," while in the second part he applies the general theoretical principles of this criticism to the analysis of the translations of John Donne's work into French and Spanish.
