Vineland is downplayed by Pynchon fans and completely ignored by curious newbies, who tend to pass over it in favour either of the big-game status of one of his doorstep meganovels, or of the appealing slenderness of *The Crying of Lot 49*.

Vineland by Thomas Pynchon - Goodreads

VINELAND by Thomas Pynchon · RELEASE DATE: Feb. 1, 1990 If the elusive Pynchon regularly cranked out novels, then this latest addition to his semi-classic oeuvre would be considered an excellent, if flawed, fiction, not as demanding and complex as *Gravity's Rainbow*, nor as neat and clever as *The Crying of Lot 49* and *V*.

The latest Pynchon work I've read is "Vineland", Pynchon's 1990 novel about a multi-decade long conspiracy in California. I knew going into "Vineland" that it had a reputation for being second-tier Pynchon, but I found the work to be entirely undeserving of that criticism.

Vineland (1990) The covers for Pynchon's Vineland tend to play off the Darius Kinsey image Crescent Camp, No. 1 used on the first Little, Brown edition, but others riff on hippies and the counterculture and, in one instance, pinball!

Vineland (1990) - Thomas Pynchon

Vineland's definitely not my favourite Pynchon (maybe 6th or 7th out of the 8). But given what you say about it I think one thing that might help you judge it on its own terms might be to look for what roots it beneath all the zaniness - and hence its "emotional pull" - not in humanly plausible characters but in its vision of the human political world.

Well, I just finished my very first Pynchon read: Vineland ...

Thomas Pynchon's "Vineland" was a really difficult read for me -- Pynchon has an unusual way with language that I really didn't care for -- often I had no idea what was going on.... only to come up for air and say "oh, okay, that's what this is about" only to be submerged in dense prose again and restarting the cycle of confusion.
