When Everything Changed: The Amazing Journey of American ...

A comprehensive mix of oral history and Gail Collins's keen research -- covering politics, fashion, popular culture, economics, sex, families, and work -- When Everything Changed is the definitive book on five crucial decades of progress. The enormous strides made since 1960 include the advent of the birth control pill, the end of "Help Wanted -- Male" and "Help Wanted -- Female" ads, and the lifting of quotas for women in admission to medical and law schools.

When Everything Changed: A Keepsake Journal: The Amazing ...

While it's not as punchy as her newspaper columns, Gail Collins's book When Everything Changed is a fantastically lively and readable account of the women's movement from the 1960's to today. The success of the movement makes it possible for people my age to take its achievements literally for granted; reading this history not only makes you appreciate the conviction and initiative of these women, but makes it seem possible to do much more.
